## Global Stewardship Impact

### Did you know that you can direct a gift to GRN in your will or trust?

Planned giving offers you more ways to support GRN in the future. Helping GRN spread the Gospel even after your death may be a simple, powerful way to leave a lasting impact on the unreached people groups throughout the world. It may also be the most effective way for you to reduce the tax burden on your family and estate.

Our planned giving consultant will gladly assist you by answering any questions you may have. For more information, visit: [www.grnusa.net/planned giving](http://www.grnusa.net/planned_giving) or call **1-888-444-7872 ext. 204**

### FOCUS FOR YOUR CHURCH

A second way we can work together to maximize stewardship, is by helping to guide your local church through the FOCUS program developed by Catalyst Services. FOCUS is a step-by-step guide to lead the whole church into maximum global impact. FOCUS helps your church prioritize, strategize, organize as you follow the Lord's command to be globally engaged. We want to help you concentrate your passion and resources to achieve God's goals for your Great Commission activities. Contact **Dale Rickards** or **Roland Heck** for more information, and read more about FOCUS at [catalystservices.org](http://catalystservices.org).

SOUNDS is published by Global Recordings Network (Gospel Recordings), an inter-denominational mission that records and distributes evangelistic messages in the world's languages and dialects.

## Celebrate 75 Banquet

Dick Eastman

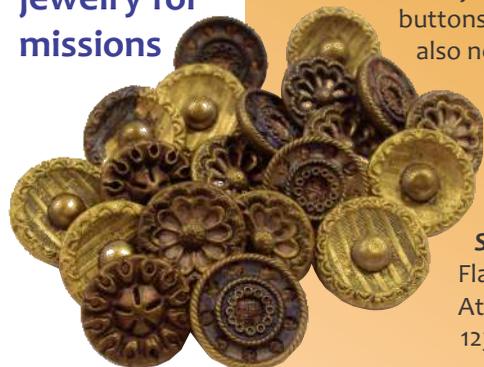

Come celebrate 75 years of Global Recordings Network ministry at October's **Celebrate 75 Banquet** in Temecula, home to GRN USA's Mobilization Center. Enjoy the evening with us at the Civic Center in the Temecula City Hall, 41000 Main St, Temecula, California, Friday evening, 6:30pm to 8:30pm, October 24th. It will be an evening filled with good food, music, praise to God, and vision casting for future ministry. We will hold an additional time of celebration in the Los Angeles area on Saturday afternoon, from 2:30pm to 4pm, October 25, planned for Lake Avenue Church, 393 N Lake Ave, Pasadena, California. (At press time, the second location was still being confirmed; watch for your personal RSVP letter in August/September.)

Our guest speaker for both events will be Dr. Dick Eastman. He is the International President of **Every Home for Christ**, a ministry that has planted over 3 billion gospel messages in homes in 216 nations resulting in over 116 million followed-up decision cards and responses.

Additionally, at 6:30 on Friday, September 5th, in Eagle Point, Oregon, we will celebrate with our friends at **Trail Christian Fellowship**. Also, at 6pm on Sunday, September 21 at **Flagstaff Christian Fellowship**, 123 S. Beaver Street in Flagstaff, Arizona, we will celebrate our 75th. # Good News from all over!

## Buttons and jewelry for missions

Flagstaff Christian Fellowship has a rich history of financially supporting GRN. In the last 20 years the church has raised more than \$50,000 for GRN by selling buttons and jewelry, both antique and common types. Costume jewelry is also needed--damaged jewelry is sold as craft supplies or for dress up--any condition is welcome. The church also has a reliable source to sell *any* gold or silver.

(Two other items they sell to raise funds are vintage hankies and salt and pepper shakers.)

**100% of the profit of any items sold goes to GRN!**

**Send any items to:**

## Presenting two new books from Global Recordings Network!

From **América to Los Angeles**, *Reaching the people from the Americas in the greater Los Angeles area.*

This book is a study of the diaspora from the Americas in the greater Los Angeles area, particularly as regards the missiological implications of the migration patterns.

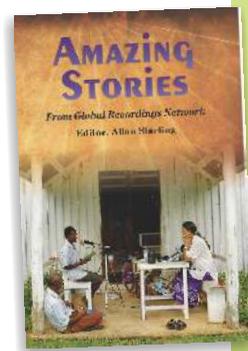

Although the Mexican people here comprise the largest ethnic group in the area, there are many other cultures, languages, foods, music and traditions represented. There are large concentrations of people from Guatemala and El Salvador, smaller groups from Ecuador and Peru, and a scattering of people from the rest of the Americas. All these contribute to the multicolored, flavorful, savory mosaic that is Los Angeles.

### Amazing Stories from Global Recordings Network

Down through the centuries, storytelling has been an effective way to communicate. It was Jesus' most common form of teaching. Oral learners use it as their primary way of communicating and teaching. The motto of Global Recordings Network is *Telling the Story of Jesus in Every Language.*

These amazing stories span 75 years of changing technology covering the use of phonograph records, audio cassettes, CDs, MP3s, websites, smart phones and beyond. More can be told, and others are waiting to be told. Make yourself comfortable and enjoy reading this collection.

**Both books are available directly from GRN or on Amazon.com**

# Our CDs Talk... But They Don't Walk!

That's where **YOU** come in...

You can reach the world for Christ, one CD at a time.

GRN has recordings of Bible stories and the gospel message in over 6,200 languages and dialects. We need your help in getting these recordings into the hands and homes of nonbelievers.

GRN is now offering CD racks stocked with the most common languages in your area. You can place a rack in your church, organization or local business establishment. This rack is the perfect resource for doing foreign missions right in your community.

Having a rack of CDs available allows nonbelievers to access the message of salvation in their heart language and enables believers to share the love of Christ with others.

Are you interested in being the hands and feet of this ministry? Email us today to find out how you can implement a CD rack ministry in your area. Contact us at [distribution@globalrecordings.net](mailto:distribution@globalrecordings.net) or at 1-888-444-7872 x 214
